

Terms of Service for Second Chance Cats of West Michigan

Effective Date: April 3, 2026

Welcome to the **Second Chance Cats of West Michigan** website (the "Site"). By using our Site, you're agreeing to these terms. If you don't agree, please don't use the Site.

1. Use of the Site

Our Site is here to help you find adoptable cats, learn about our mission, volunteer, and donate. Please use it for its intended purpose and don't try to mess with it or hack it.

2. Intellectual Property

We love our cats! All the photos, logos, and text on this Site belong to **Second Chance Cats of West Michigan** unless we say otherwise. You're welcome to share our adoptable cats on social media (we actually love that!), but please don't use our stuff for commercial purposes without asking first.

3. Third-Party Links

To make things easy, we link to other sites like **Petfinder** (for adoptions), **Zeffy** (for donations), and **Bonfire** (for merch). We don't control those sites, so we're not responsible for what they do. Be sure to check out their own terms and privacy policies!

4. Donations & Merch

- **Donations:** All donations made through Zeffy are final and go directly toward caring for our cats.
- **Merch:** Our merch is handled by Bonfire. If you have an issue with an order, you'll need to contact them directly.

5. Adoption & Volunteering

Filling out an application on our Site doesn't guarantee you'll get a cat or a volunteer spot. We reserve the right to choose the best fit for our kitties. Adoption contracts are separate legal agreements that you'll sign if you're approved.

6. Disclaimer of Liability

We do our best to keep the info on our Site accurate, but we're only human. We're not liable for any mistakes or for any issues that might arise from using our Site. The Site is provided "as is."

7. Changes to These Terms

We might update these terms from time to time. If we do, we'll post the new version here with a new effective date.

8. Governing Law

These terms are governed by the laws of the State of Michigan.
